Zero Tolerance Policy for Consumer Abuse or Neglect

1. Scope

Pursuant to the requirements in Article 1, section 17 of NLACRC's master contract with the State of California, the Board of Trustees hereby adopts the following Zero Tolerance Policy for Consumer Abuse or Neglect. This policy applies to:

- A. All of NLACRC's vendored service providers that provide direct services and supports (as defined by Welfare & Institutions Code (WIC) section 4512(b)) to individuals with developmental disabilities within NLACRC's catchment area (consumers).
- B. All long-term health care facilities serving NLACRC's consumers.
- C. NLACRC employees, if any, who are considered "mandatory reporters" under either of the reporting laws described in sections 4 and 5 below.

2. Background

The California Legislature has adopted various laws to protect all children, dependent adults, and elders from various types of abuse and neglect. These laws also apply to individuals with developmental disabilities. This policy concerns the application of such laws to consumers.

3. The Adult Reporting Law

California WIC sections 15600-15675, known as the Elder Abuse and Dependent Adult Civil Protection Act (adult reporting law) provides (among other things) that any person who has assumed responsibility for the care or custody of an adult consumer, including administrators, supervisors, and any licensed staff of a facility that provide care or services for adult consumers, is a mandated reporter.¹ Under the adult reporting law, any mandated reporter who experiences any of the following shall report the abuse to the applicable governmental authorities (subject to certain limited exceptions described in the adult reporting law).²

¹ The definition of "mandated reporter" under the Adult Reporting Law is found in Welfare and Institutions Code (WIC) section 15630(a). The list of care custodians who are mandated reporters is found in WIC section 15610.17.

² Definitions of elder and adult abuse are found in WIC sections 15610-15610.67.

- A. Has observed or has knowledge of an incident that reasonably appears to be physical abuse, abandonment, abduction, isolation, financial abuse, or neglect of an adult consumer.
- B. Is told by an adult consumer that he or she has experienced adult abuse.
- C. Reasonably suspects the existence of adult abuse.

4. **The Child Reporting Law**

California Penal Code sections 11164 – 11174.3., known as the Child Abuse and Neglect Reporting Act (child reporting law) provides (among other things) that various categories of persons who interact with a consumer under the age of 18 are mandated reporters.³ Under Penal Code section 11166, any mandated reporter who has knowledge of or observes a person under 18 whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect (child abuse), shall report the abuse to the applicable government authorities (subject to certain limited exceptions described in the child reporting law).⁴ It is important to note that the list of mandated reporters who are obligated to report child abuse is different than the list of mandated reporters obligated to report adult abuse.

5. **Purpose**

The purpose of this policy is to protect the interests of NLACRC's consumers and their families by:

- A. Educating all mandated reporters about their legal obligation to report adult and child abuse (consumer abuse).
- B. Requiring mandated reporters to fully comply with the adult and child reporting laws (reporting laws).
- C. Providing information to assist mandated reporters in reporting consumer abuse to the proper authorities.

³ Penal Code section 11165.7 identifies those individuals who are mandated reporters under the child reporting law.

⁴ "Child abuse or neglect" is defined in Penal Code section 11165.6, which in turn references specific forms of abuse and neglect, which are defined in Penal Code sections 11165.1-11165.5.

- D. Describing the consequences resulting from a mandated reporter's failure to comply with the reporting laws and this policy. The implementation of this policy will assist in ensuring a safe and healthful environment to all individuals with a developmental disability who are provided services or supports by a service provider or a long-term health care facility.

6. **Responsibility for Enforcement of Policy**

NLACRC's Board of Trustees has general oversight of this policy. The Board of Trustees delegates the oversight and implementation of this policy to NLACRC's executive director.

8. **The Policy**

- A. Duty to Comply with Reporting Laws. All service providers and long-term health care facilities shall ensure all of their employees and contractors who are mandated reporters strictly comply with the reporting laws at all times. All of NLACRC's employees who are mandated reporters (if any) shall also strictly comply with the reporting laws at all times. A mandated reporter must (unless exempt under law) report all consumer abuse to the applicable governmental authorities immediately, or as soon as practically possible, after his or her discovery or reasonable belief of consumer abuse.
- B. Service Provider/Health Care Facility Compliance Policies. Each service provider and long-term health care facility shall ensure maximum compliance with the reporting laws by developing its own written compliance policy for its respective employees and contractors (provider compliance policy) within 120 days after the effective date of this policy. Each provider compliance policy shall incorporate all of the following information:
1. The types and signs of consumer abuse.
 2. The responsibility to protect consumers from consumer abuse.
 3. The process for reporting consumer abuse to applicable authorities under the reporting laws.
 4. Identification of the entities entitled to receive reports of consumer abuse under the reporting laws.
 5. A requirement that this policy be provided to all employees upon hire.
 6. A requirement that this policy be reviewed annually by all employees.
 7. The consequences of failing to follow the reporting laws and this policy.

- C. Delivery of Provider Compliance Policy to NLACRC. All service providers and long-term health care facilities shall provide their provider compliance policies to NLACRC upon request.
- D. Taking Action to Ensure Consumer Health and Safety. If NLACRC, a service provider, or a long-term health care facility becomes aware of consumer abuse, such entity shall take immediate action, to the extent permitted by law, to ensure the health and safety of the affected consumer and all other consumers receiving services and supports from NLACRC, such service provider or long-term health care facility. This obligation is in addition to a mandated reporter's obligation to report consumer abuse under the reporting laws.

9. Procedures

- A. NLACRC's Annual Notice. NLACRC shall notify its employees, service providers and long-term health care facilities of this policy on an annual basis.
- B. NLACRC's Posting of this Policy on its Website. NLACRC shall promptly post and maintain this policy on its website.
- C. Vendor's Distribution of Policies to its Employees and Contractors. Each service provider and long-term health care facility shall:
 - 1. Provide a copy of this policy and its own provider compliance policy to each of its respective employees and contractors upon hire/engagement, as well as annually thereafter.
 - 2. Retain documentation of its compliance with this requirement (such as signed and dated receipts from its employees). Each service provider or long-term health care facility shall provide such compliance documentation to NLACRC upon request.
- D. Incorporation of this Policy into Vendor Contracts. This policy shall be attached as an exhibit and/or incorporated by reference into all NLACRC contracts and contract amendments that are entered into after the effective date of this policy with NLACRC's service providers and long-term health care facilities.

- A. Reporting rules for a consumer in a long-term care facility. When adult abuse occurs in a long-term care facility (as defined by the reporting law), the scope of the mandated reporter's duties depends on the nature of abuse.

12. Consequence of Failure to Comply

- A. NLACRC's Intention to Enforce. NLACRC expects all service providers and long-term health care facilities to comply with this policy and the reporting laws. To the extent they fail to do so, NLACRC will utilize all remedies available to it in statute and regulations to protect the health and safety of its consumers.
- B. Breach of Contract. The failure of a service provider or a long-term health care facility to strictly comply with this policy or either of the reporting laws shall constitute a material breach of its contract with NLACRC, and shall give NLACRC the right and option to terminate such contract.
- C. Statutory Penalties For Failure to Report Adult Abuse (WIC section 15630(h))
A mandated reporter's failure to report, or impeding or inhibiting a report of, adult abuse, in violation of the adult reporting law, is a misdemeanor, punishable by not more than six months in the county jail, by a fine of not

more than one thousand dollars (\$1,000), or by both that fine and imprisonment. Any mandated reporter who willfully fails to report, or impedes or inhibits a report of, adult abuse, in violation of the adult reporting law (if that abuse results in death or great bodily injury), shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars (\$5,000), or by both that fine and imprisonment.

However, such punishment shall be increased to up to one year in a county jail, or by a fine of not more than five thousand dollars (\$5,000), or by both that fine and imprisonment, where that abuse or neglect results in death or great bodily injury to the child.
